

Special Attention regarding Routes 30 and 31 concerning May 13th and 14th

The paper schedule says that we will be running full service on Thursday May 13th when in fact we will be running on a Mon-Wed Schedule (which ends earlier)

Summer Service will start on Routes 30 and 31 on Friday May 14th as posted.

We are sorry for any confusion or inconveniences these mix ups may have caused.
