#### Bus Monitor Responsibilities

- Identify yourself to the bus driver.
- You must be present, sober and available to the driver at all times including the return to campus.
- Keep aisles clear; use the rear door only in case of emergency.
- Prevent your group from bringing any containers of alcohol on board.
- Enforce the no smoking regulation.
- Provide the identity of any passenger in your group at the bus driver's request.
- Ensure that the occupancy of the bus does not exceed seating capacity. Buses seat 38 to 44 adults.

#### Please note:

- The Bus Monitor MOU and a purchase order from Campus Activities are due one week prior to your trip. Field Trip Services reserves the right to cancel reservations if this deadline is not met.
- At least half of the passengers on each bus are expected to be members of the sponsor group.
