ROUTE INFORMATION

This route schedule shows the time of departure at major stops along the route, contains a route map, and other important information. Buses are operated by UMass Transit. For schedule information, lost & found, suggestions and feedback, call UMass Transit at 545-0056, or visit our websites at www.umass.edu/bus and www.pvta.com. Times are subject to change due to traffic and weather conditions.

Accessibility

All PVTA buses are wheelchair accessible. For TTY service call 413-733-0449 (TTY/Relay).

Proof of Payment Fare Collection

The Pioneer Valley Transit Authority (PVTA) has implemented a proof-of-payment policy in relation to fare collection on its Amherst-based, fixed bus routes. This policy requires passengers to have proof of fare payment in hand from the time they board a PVTA bus until they leave the bus stop area at their final destination.

Passengers will be on their honor — expected to produce valid Five College student, faculty or staff ID cards (as explained below); or to purchase a valid fare for each ride; or to have a daily, weekly or monthly pass to ride. Transit supervisors will make random fare inspections and passengers must be prepared to show proof of payment once or more during a trip. Failure to do so may result in loss of riding privileges. University of Massachusetts Transit bus drivers will not collect fares and passes.

Five College Students, Faculty and Staff

Students who attend one of the Five Colleges – Smith College, Amherst College, Hampshire College, Mount Holyoke College or the University of Massachusetts, Amherst, must be prepared to show current and valid school ID cards. Five College faculty and staff must be prepared to show valid and current employee ID cards. Transit supervisors will consider these student and employee ID cards valid proof of payment. The fares for Five College Students, Faculty and Staff are prepaid by their member institutions and student fees.

Fare Payment Options

Passengers have several options related to tickets and passes.

One Ride Ticket \$1.25

Daily Pass (Unlimited rides on PVTA for One Day) \$3

Before using the pass, the rider must mark in ink the month and day that they intend to use it.

7 Day Pass (Unlimited rides on PVTA for 7 consecutive days) \$12.50

Before using the pass, the passenger must mark on it the month and seven consecutive days that they intend to use it.

31 Day Pass (Unlimited rides for 31 consecutive days)

Regular Pass \$45

Seniors & Persons with Disabilities (with PVTA ID) \$22

Children under 6 years of age ride free with an adult.

Ticket/Pass Locations

All tickets and passes may be purchased at: the Amherst Council on Aging on Boltwood Walk and the Big Y store on University Drive.

Passes/Tickets by Mail

All PVTA tickets and passes can be purchased by mail. Riders may send ticket or pass requests with check payable to PVTA, and mail to: PVTA Customer Service Center, 1341 Main St., Springfield, MA 01103. For more information, call 586-5806 or 413-781-PVTA (7882).

Reduced-Fare Program

To receive discount fare, one of the following identification cards must be shown to the driver each time you board: PVTA E & D Identification card or Disabled–Statewide Access Pass. The PVTA ID is available at the PVTA Customer Service Center and at the Northampton Council on Aging, 413-587-1228.

Transfers

Riders transferring between Northampton-based routes and Amherst-based routes and paying cash fares should purchase a transfer on the Northampton bus when they board. The 25-cent transfer will serve as proof of payment on the Amherst routes. Transfers are good for 90 minutes; they are designed for a continuous ride and never intended for a return trip or stopover.

Riders transferring between Amherst-based and Northampton-based routes should show their passes to the driver. Riders using tickets may purchase a transfer to continue riding the Northampton-based bus.

Service supported by the Town of Amherst

The service on Route 32 is provided by the Town of Amherst and contingent on their support. Your ride counts, as future service is dependent on ridership and the availability of funds.
